

# PUBLIC EXHIBITION & CONSULTATION

## HARVIESTOUN RESIDENTIAL DEVELOPMENT

The Burnside Hall

Dollar Parish Church, 2 Bridge Street, Dollar FK14 7DF

Saturday 16th June 2018

10am - 4pm

Harviestoun wish to invite you to a public consultation to ascertain your views on the development of their landholdings to the south east of Dollar.

These landholdings are identified for development in the Local Plan. This is the first of two public consultations, the second will be held later in the summer. A planning application will then be submitted in Autumn 2018.

Your opinions and thoughts will be welcomed. They can be provided in writing or via email, at the consultation or in the weeks following the event.

Our aim at the second consultation is to collate this information and detail the development proposal to the community.

The Harviestoun consultancy team will be in attendance to answer any questions on landscaping, masterplanning, transport, engineering and planning considerations.

We look forward to meeting you on the 16th June.
