1	It will be great to see improvements made to the Memorial garden and making it more accessible and pleasurable for visiting. The only thing I am unsure about is the use of name labels	6/6/2021 12:31 PM
2	I would like to see a gate on the entrance to the space on Devon Road side for child safety.	5/25/2021 9:06 AM
3	I think this is a great idea. Is there any clash with possible changes at the junction if the new housing happens?	5/24/2021 6:17 PM
4	I think this is a great initiative from the Horticultural Society as Clacks Council have neglected the Memorial Garden in recent years. Also, I think it would be an insult to the fallen if the garden, or any part of it, was lost for road widening (for example).	5/24/2021 5:28 PM
5	I have 2 large potted Jukka type plants which are too big for my garden. I would like to donate if any good. Would be perfect for a centre piece in a large bed. Contact m.m. drain@btinternet.com if interested.	5/24/2021 4:20 PM
6	I would also be willing to just make a donation to the upkeep - the purchasing in memory of someone is a lovely idea, but other options should be available too.	5/24/2021 3:44 PM
7	Great idea	5/24/2021 3:35 PM
8	It should be quiet and reflective with a few seating areas.	5/22/2021 7:24 PM
9	I enjoy stopping there when walk dog.	5/22/2021 12:22 PM
10	It's a great idea to spruce up the memorial garden. I wonder if anyone thinks it would be another idea to spruce up Dollar cemetery?	5/22/2021 10:27 AM
11	One of the features of this memorial garden is its stability throughout all seasons of the year, seasonal changes do happen in the garden, but its main character remains in November as it does in July. It has never been a garden filled with seasonal showy plants that bloom and wither but instead is a refuge which gently drifts between seasons	5/22/2021 5:24 AM
12	Has the potential to be an attractive space.	5/21/2021 10:13 PM
13	I think this is a wonderful idea and it will make the memorial garden look fabulous	5/21/2021 5:34 PM
14	It is a lovely idea and remembering the residents of old is so lovely for those of us here today and in the future.	5/21/2021 5:04 PM
15	I think that this is a brilliant idea and would make the gardens a more appealing place to sit and enjoy the surroundings.	5/21/2021 2:18 PM
16	It's a lovely space, we use it every day	5/21/2021 3:19 AM

24	Thank you	5/20/2021 9:42 PM
25	I think this is an excellent idea. This is a beautiful but under utilised space. I often see people enjoying a chat on the bench or sitting in the tranquility of it reading a book. Some plants and sprucing it up would bring it to life whilst honouring the lives of some wonderful past residents of our beautiful village.	5/20/2021 9:41 PM
26	What a wonderful idea of having shrubs/trees in memory of loved ones. I for one would like one in memory of my son. Then I wouldn't just walk past I'd take time to go in and sit with thoughts of happy memories. Well done to all involved.	5/20/2021 9:25 PM
27	go for it and make it a bright, blossom, fragrent wonderful space	5/20/2021 9:21 PM
28	A sculpture would be nice.... no Andy Scott sculptures in Dillar but in all other hillfoots area... would he do another??	5/20/2021 9:17 PM
29	Wondered about covered seating /pergala	5/20/2021 9:11 PM
30	No	5/20/2021 9:04 PM
31	By making it only for former residents, you are excluding newcomers rather than giving more people a reason to visit it. Just my thoughts, I realise other people will have different views	5/20/2021 8:25 PM
32	Can't remember if there are seats in the garden but strongly recommend there should be. Happy to help fund the purchase of them	5/20/2021 8:23 PM
33	I love it and it's very special	5/20/2021 8:18 PM
